Follett eBooks @ Mid-Pacific Library
Middle & High School

Our library book collection includes both print and eBooks. Some of these eBooks are from our friends at Follett, and you can access these books in 2 ways.

A) Through the Catalog:
   1) Search a book

   2) From the list, those results indicated with a green “E” are Follett eBooks; select “Open”

   3) A new tab will open to the Follett Shelf, prompting you to sign in: use the username and password issued by Mid-Pacific (the one you use to log into computers at school)

OR

B) Through the Follett Shelf
   1) Click on the link on the Catalog Homepage

   2) A new tab will open, prompting you to sign in: use the username and password issued by Mid-Pacific (the one you use to log into computers at school)
Follett eBook Info

If you have reached the Follett Shelf by searching for a book in the Catalog, you can read the book online, check it out to yourself, or quit the book and go to the Follett Shelf, to browse and search for other eBooks there.

1) Quit the book & go to the Follett eBooks Shelf
2) Add a bookmark to a page
3) Add a note (like a Post-It)
4) Go straight to your notebook. Because you must login to access the Shelf, all your notes are saved, even after the book is returned!
5) You can turn pages by scrolling across the screen (iPad), or use the arrows. You can also type in a page number to go straight to that page.
6) Check-out, bookmarks, publication info
7) Search a word in the text or your notes
8) Menu
9) Display options (font, pages, etc.)
